## **ASSEMBLY INSTRUCTIONS:**

1. Sew a 1 1/2" x 8 1/2" sashing pieces to the sides of a colored 8 1/2" square as shown. Sew a 1 1/2" x 10 1/2" to the top and bottom of the block. The blocks should measure 10 1/2".

Make 17

2. Sew the 1 1/2" x 5 1/2" sashing pieces to the sides of a colored 5 1/2" square as shown. Sew a 1 1/2" x 7 1/2" sashing piece to the top and bottom of the block. Repeat this technique using the colored 2" x 7 1/2" and the 2" x 10 1/2" pieces - matching the print to the one you used in the center so all the colored prints are from the same fabric within each block. The blocks should measure 10 1/2".

Make 18

3. Sew all of the blocks together into rows, pressing the seams toward the Step 2 blocks. Sew the rows together. The quilt should now measure 50 1/2" x 70 1/2".

4. Sew all of the inner border strips together end to end. Cut off two lengths at 70 1/2" and sew to the sides of the quilt. Cut off two lengths at 54" and sew to the top and bottom of the quilt. Press all seams toward the inner border.

5. Sew all of the outer border strips together end to end. Cut off two lengths at 74" and sew to the sides of the quilt. Cut off two lengths at 67" and sew to the top and bottom of the quilt. Press all seams toward the inner border.

6. Quilt as desired and bind using the 3" strips.
